Re: State v. James A. Greer
Case No. 2010-CF-7690
OSP Case No.: 2010-0091-TPA

Dear Mr. Mason:

Enclosed please find the State's Discovery Exhibit and copies of discovery diskettes 1-6, the State's Witness List, and a Demand for Reciprocal Discovery. If you would like to personally review any of the evidence, please contact me so that we may schedule a meeting at FDLE where the evidence is being maintained.

Additionally, please be advised that your client's personal computer was seized at his home residence pursuant to a search warrant. Please advise me at your earliest convenience of any email addresses that would be contained therein belonging to any of Mr. Greer's attorneys or their assistants. This will assist law enforcement during its forensic review of the personal computer in segregating any legal correspondence between Mr. Greer and his attorneys in order to maintain Mr. Greer's attorney-client privilege. Please contact me if you have any questions or additional concerns.

Very truly yours,

A handwritten signature in black ink, appearing to read "Mike Williams", with a long horizontal flourish extending to the right.
